

SHEETALFAB

PVT. LTD.

**Exceptional
Non Woven
Solutions**

For a Better Future..

Who We Are

With over **two decades** of expertise in the non-woven fabric industry, we have been a trusted name **since 1999**.

Starting as **traders**, we expanded into **manufacturing** in 2022 with a vision to reduce costs and enhance quality for our customers. Today, we produce **100 tons of PP Spunbond Non-Woven fabric per month**, catering to diverse industries with a commitment to innovation, affordability, and reliability.

Our Mission

To provide high-quality, cost-effective non-woven fabrics that meet the dynamic needs of our clients while maintaining sustainability and efficiency.
